## My Little Snowman

I made a little snowman with  
my sister.  
We rolled three balls of snow.

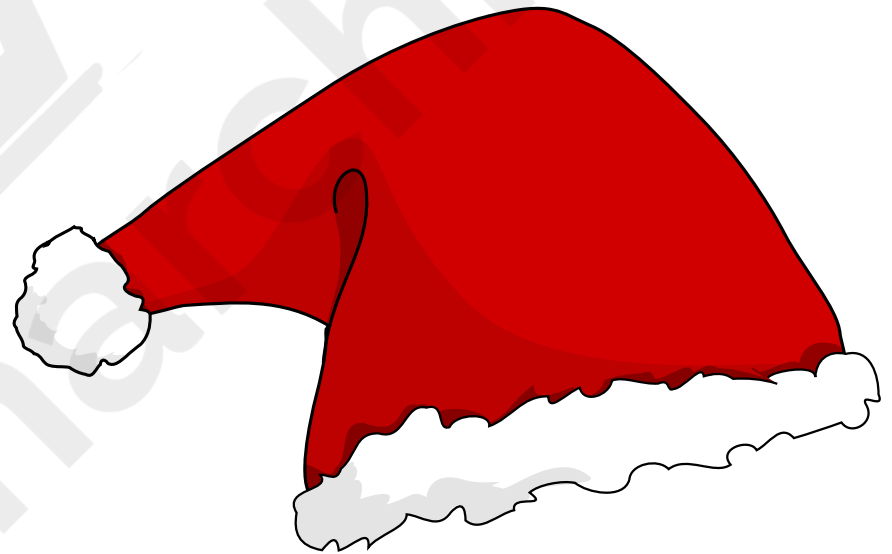

His nose was a big, orange  
carrot.

# READING COMPREHENSION

## My Little Snowman

His eyes were two big lumps  
of coal.

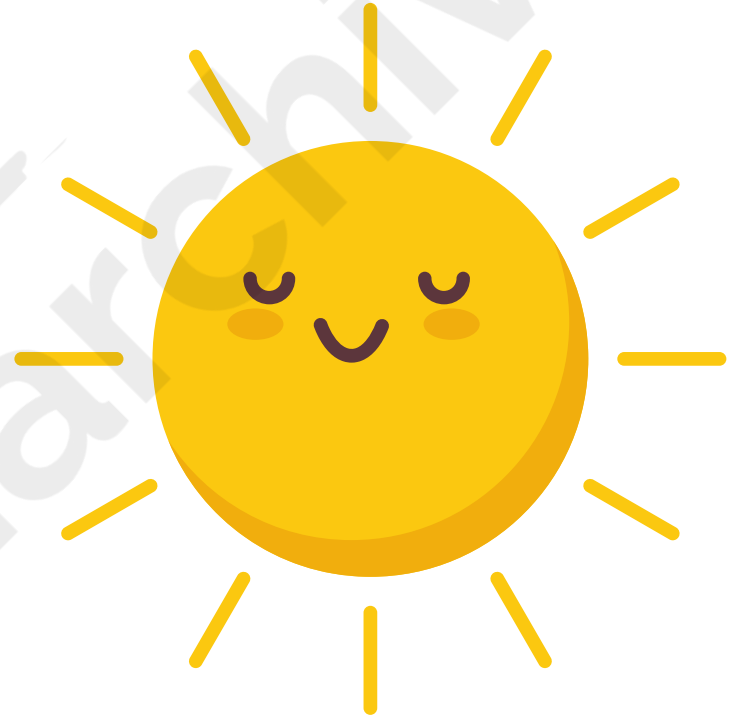

We covered his head with a  
red cap.

# READING COMPREHENSION

## My Little Snowman

The color of his scarf was  
also red.

But when the sun shine,  
snowman melts away.

# READING COMPREHENSION

## My Little Snowman

---

Answer the following questions.

1. Who was making snowman?
2. How many balls were used to make a snowman?
3. Who melts the snowman?
4. Which things are used to make a snowman?
5. What was the color of scarf?

# READING COMPREHENSION

## My Little Snowman

---

Read the statement and tick/cross accordingly.

1. Is snowman a living thing? \_\_\_\_
2. His scarf was blue \_\_\_\_
3. His eyes were made of a button \_\_\_\_
4. Me and my sister were making snowman \_\_\_\_
5. His nose was made of a carrot \_\_\_\_

## Winter Weather

Winter is a season when the weather outside can be very cold and sometimes snowy.

You need to wear a warm coat, hat, gloves, and socks to stay warm.

# READING COMPREHENSION

## Winter Weather

Snow is made up of tiny ice crystals that fall from the sky.

You can make snowballs, build snow forts, and even go sledding down hills.

# READING COMPREHENSION

## Winter Weather

Winter weather can also bring blizzards. A blizzard is a big snowstorm with lots of snow and strong winds.

During a blizzard, it's best to stay inside and stay warm until it passes.

# READING COMPREHENSION

## Winter Weather

---

Answer the following questions.

1. What is the weather like during winter?
2. What do you need to wear in the winter?
3. What is snow made up of?
4. What is a blizzard?
5. Write some activities for winter.

# READING COMPREHENSION

## Winter Weather

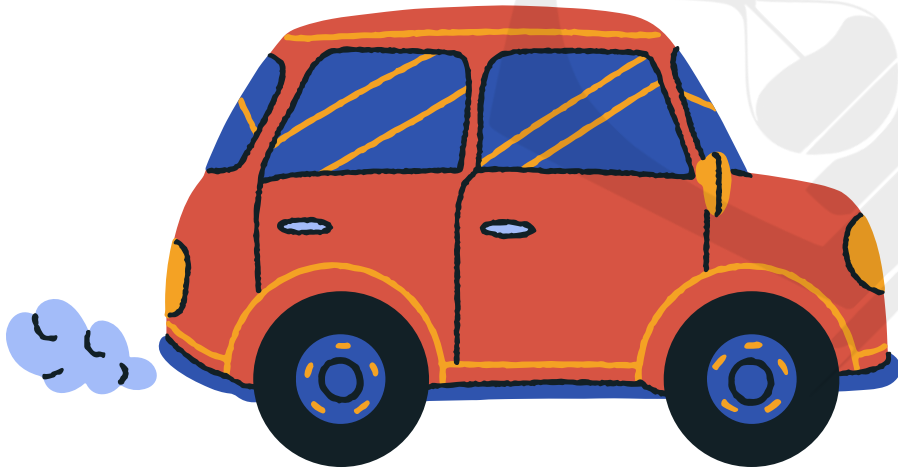

---

Read the statement and tick/cross accordingly.

1. During blizzard you should go out and play ----
2. Snow comes from tree ----
3. You can sleep on snow ----
4. A blizzard is drizzling -----
5. You should wear coat during winters ----

# READING COMPREHENSION

## My Lovely Car

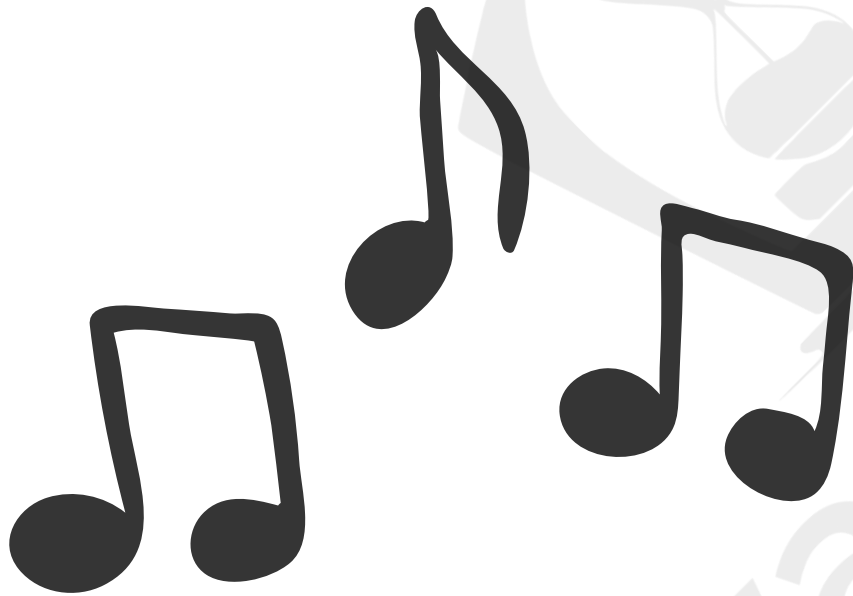

A car is a vehicle with four wheels. It's color is orange.

Steering wheel is used to control the direction of car.

# READING COMPREHENSION

## My Lovely Car

I love listening to music on the radio in my car.

Pedals are use to control the car. Pedals make the car go and stop.

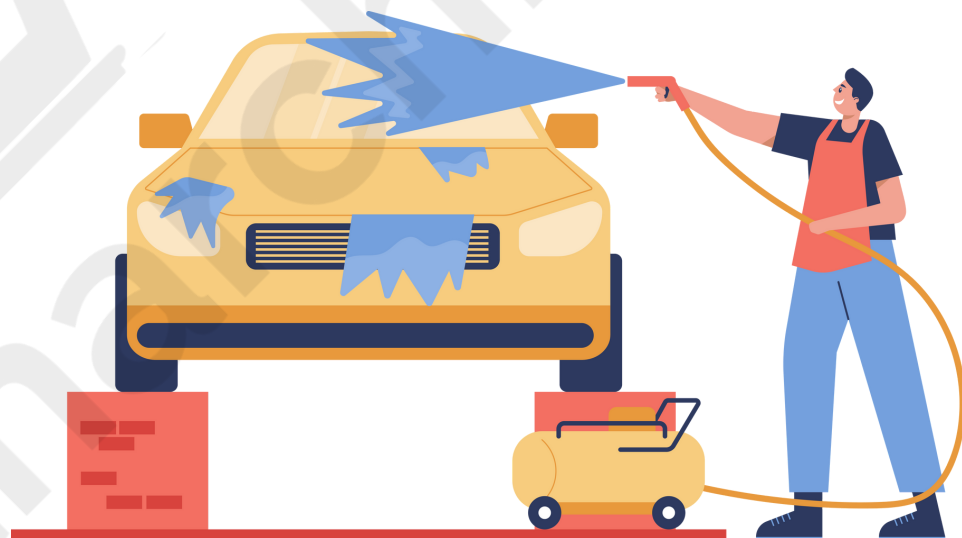

# READING COMPREHENSION

## My Lovely Car

We go to the park and grocery store to get food for my family.

I take good care of my car by washing it and making sure it is clean inside and out.

# READING COMPREHENSION

## My Lovely Car

---

Answer the following questions.

1. What color is your car?
2. How many wheels does your car have?
3. What do you like to do while driving in your car?
4. Where do you go in your car?
5. How do you take care of your car?

# READING COMPREHENSION

## My Lovely Car

---

Read the statement and tick/cross accordingly.

1. Steering wheel helps to stop car \_\_\_\_
2. I go to zoo in my car \_\_\_\_
3. My car is blue in color \_\_\_\_
4. It has six wheels \_\_\_\_
5. Pedals make the car go and stop \_\_\_\_

## My Cat

I have a cat. Her name is Fluffy, and she has soft, white fur with black spots on her back.

She also likes to play with toys, such as balls of yarn or toy mice.

# READING COMPREHENSION

## My Cat

Fluffy likes to sleep in a cozy bed that I made for her.

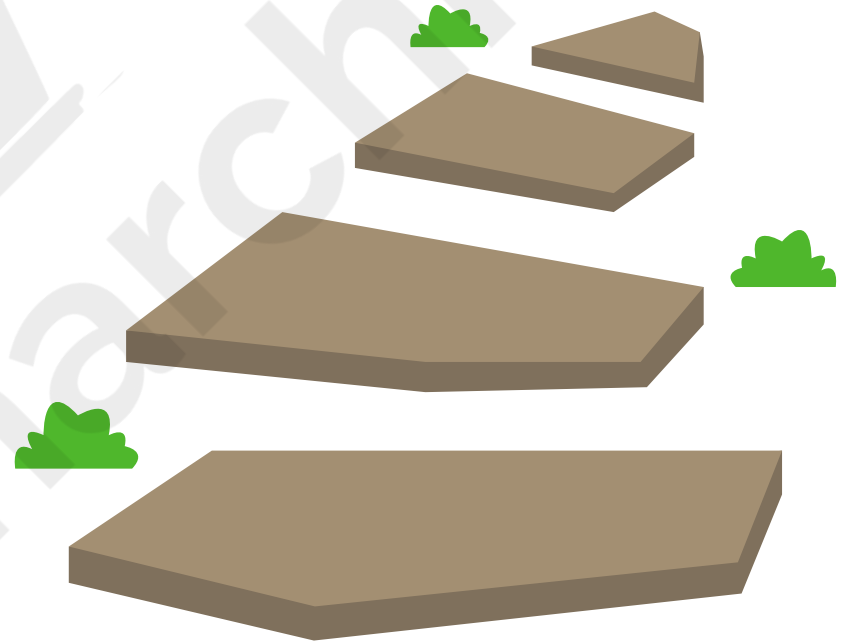

I feed her every day and clean her litter box.

# READING COMPREHENSION

## My Cat

She takes bath in a bath tub.

We go for a walk in park  
everyday.

# READING COMPREHENSION

## My Cat

---

Answer the following questions.

1. What is your cat's name?
2. What color is Fluffy's fur?
3. What does Fluffy like to play with?
4. How often do you feed your cat?
5. How do you feel about your cat?

# READING COMPREHENSION

## My Cat

---

Read the statement and tick/cross accordingly.

1. Fluffy is a pet dog ----
2. Fluffy's fur is white with black spots ----
3. Fluffy likes to play with balls and frisbees ----
4. We go for a walk to park everyday ----
5. The author likes his cat ----

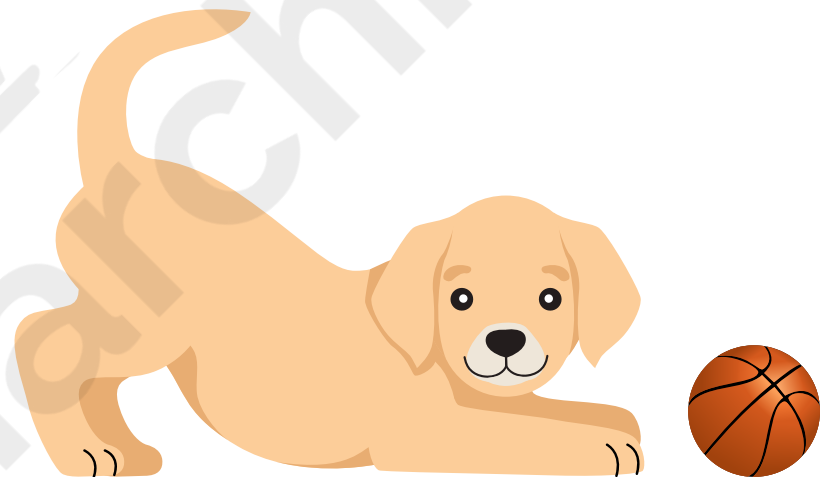

# READING COMPREHENSION

## My Dog

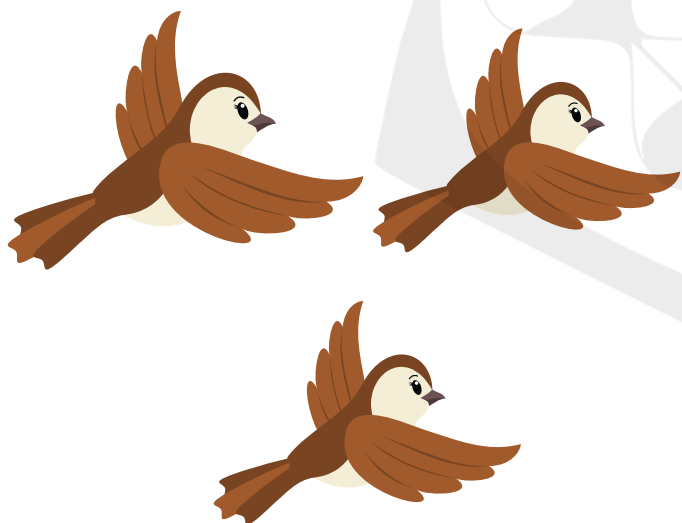

I have a dog. His name is Max,  
and he is a golden retriever.  
He has soft, golden fur.

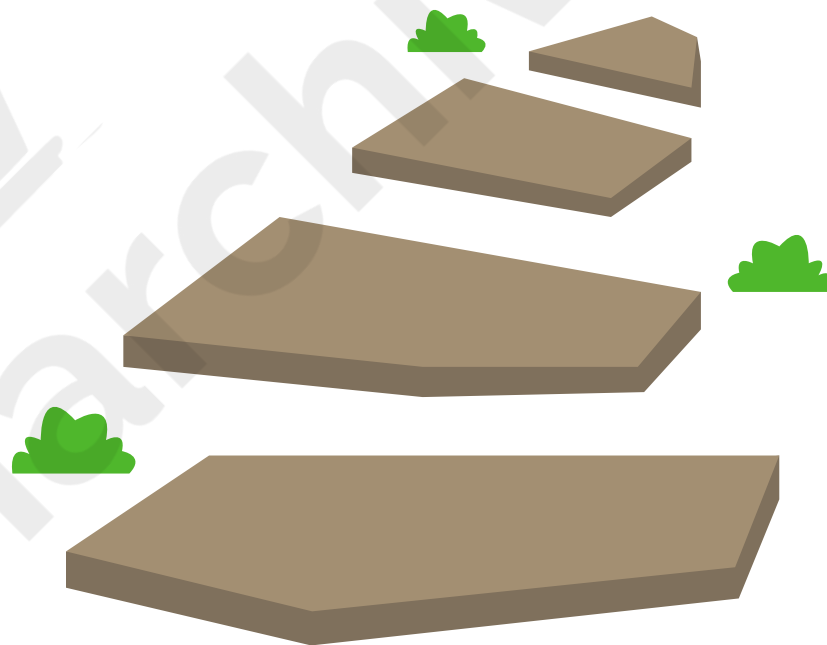

Max loves to play fetch with  
a ball.

# READING COMPREHENSION

## My Dog

He also likes to chase after squirrels and birds in the park.

I take him for walk around the neighborhood so he can get exercise and fresh air.

# READING COMPREHENSION

## My Dog

Max will bark when he hears a noise outside or when someone comes to the door.

I feed him everyday with good food.

# READING COMPREHENSION

## My Dog

---

Answer the following questions.

1. What is the name of your pet dog?
2. What kind of dog is Max?
3. What color is Max's fur?
4. What game does Max like to play?
5. Why does Max bark sometimes?

# READING COMPREHENSION

## My Dog

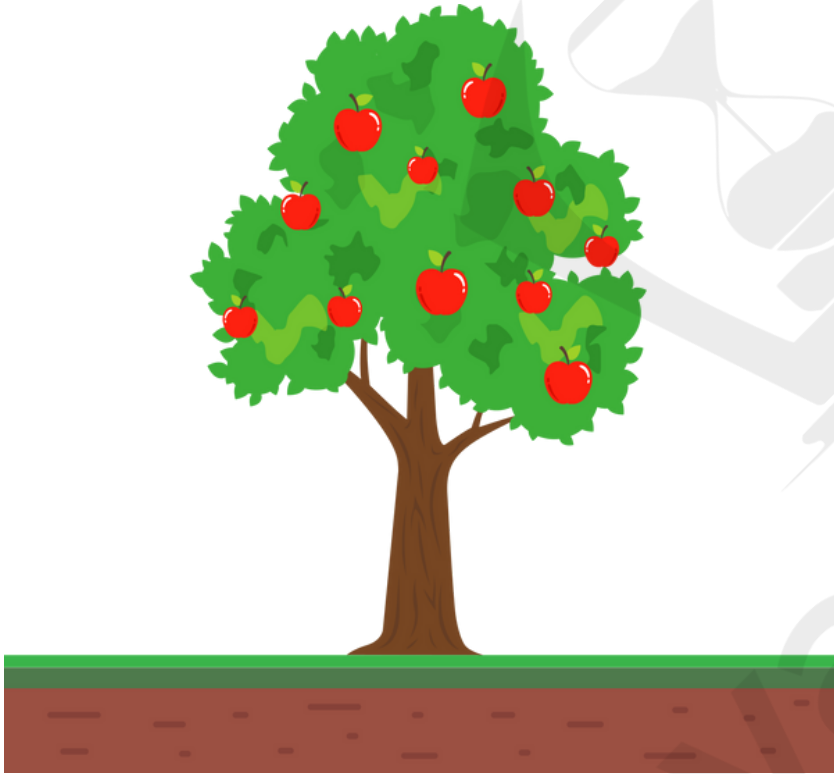

---

Read the statement and tick/cross accordingly.

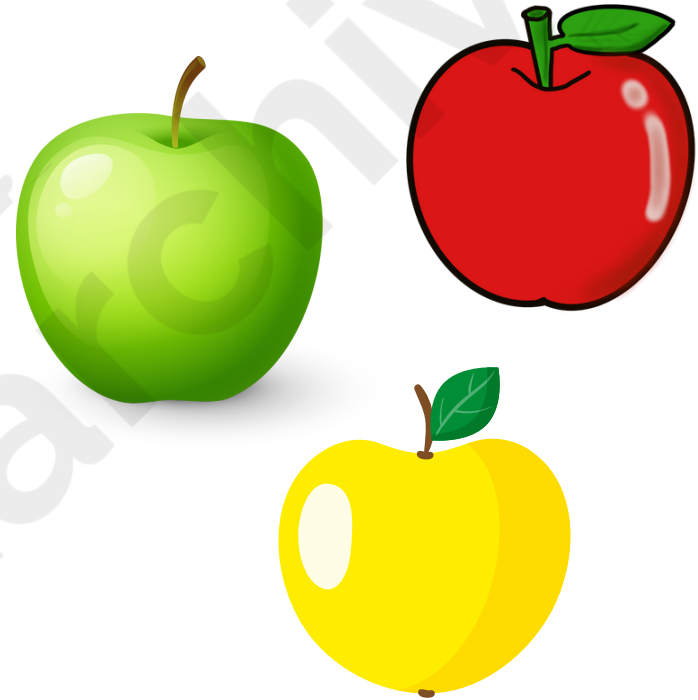

1. Max is a golden retriever \_\_\_
2. Max's fur is black \_\_\_\_\_
3. Max likes to play fetch with a ball \_\_\_\_\_
4. Max barks to protect the home \_\_\_\_\_
5. I don't like my dog \_\_\_\_\_

# READING COMPREHENSION

## Apples

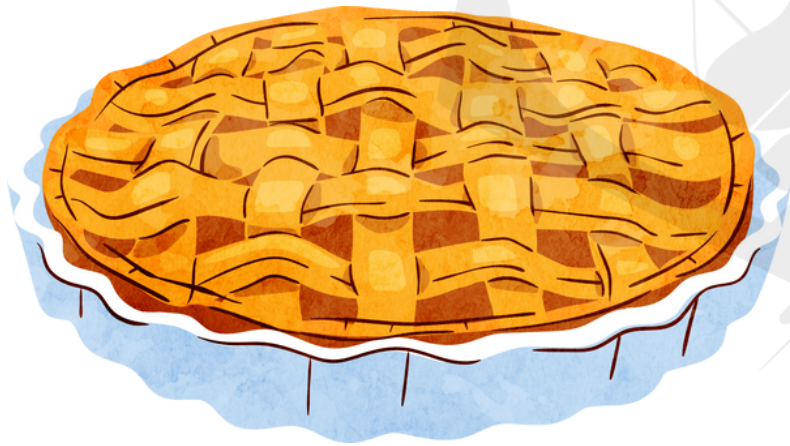

Apples are round and juicy fruits that grow on trees.

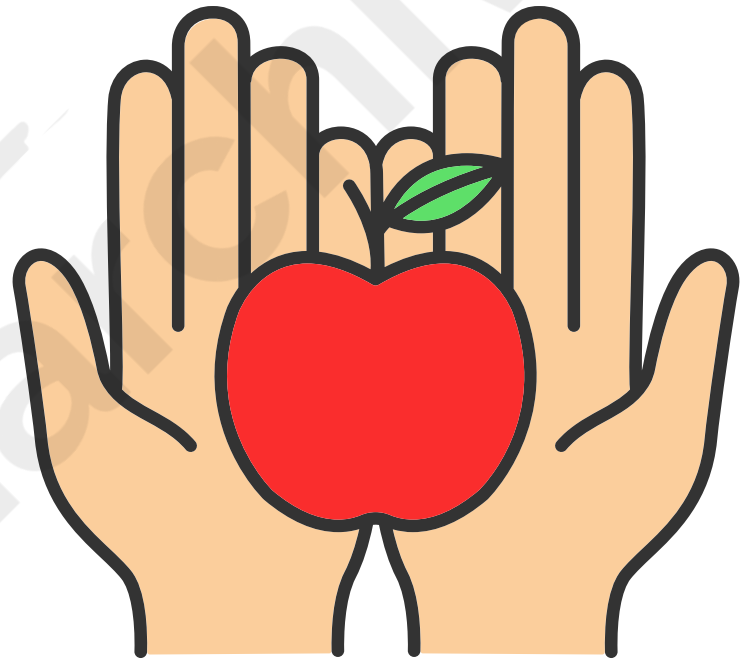

They come in different colors, like red, green, and yellow.

# READING COMPREHENSION

## Apples

People like to eat apples for a snack, in a pie, or with peanut butter.

Apples have vitamins and fiber.

# READING COMPREHENSION

## Apples

Eating apples can help keep  
our bodies strong and healthy.

If they kept for a long time,  
apple begin to rot.

# READING COMPREHENSION

## Apples

---

Answer the following questions.

1. What are apples?
2. Where do they come from?
3. What colors can apples be?
4. How can you eat an apple?
5. Are apples healthy?

# READING COMPREHENSION

## Apples

---

Read the statement and tick/cross accordingly.

1. You can pick apples from a tree \_\_\_\_
2. Apples cannot be cooked in any way\_\_\_\_\_
3. Apples are a type of fruit that grows on trees \_\_\_\_
4. Apples are not a very popular fruit to eat \_\_\_\_
5. Apples are orange in color \_\_\_\_\_

# READING COMPREHENSION

## Birds

Birds are flying animals. They can fly high in the sky.

Birds have feathers and beaks.

# READING COMPREHENSION

## Birds

Birds come in many different colors and sizes, like red cardinals and tiny hummingbirds.

People like to watch birds in their yards and feed them.

# READING COMPREHENSION

## Birds

Birds make nest in trees and  
live there.

Birds lay eggs and feed their  
babies on their own.

# READING COMPREHENSION

## Birds

---

Answer the following questions.

1. Where do baby birds come from?
2. Where do birds live?
3. Write any two types of birds?
4. Write two features of birds.
5. Where do people feed birds?

# READING COMPREHENSION

## Birds

---

Read the statement and tick/cross accordingly.

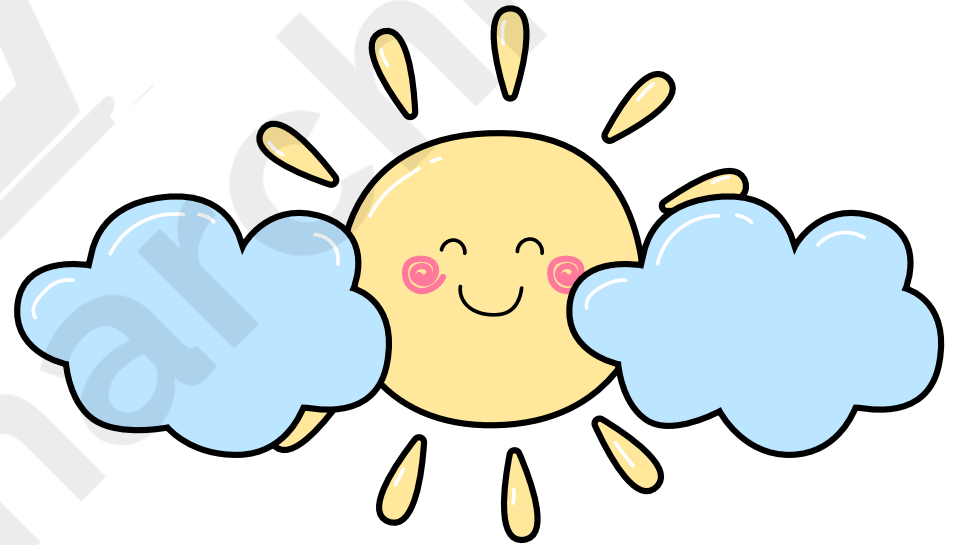

1. Birds don't lay eggs ----
2. Birds live in igloos -----
3. Birds are reptiles ----
4. Birds have beaks ----
5. People don't love birds ----

# READING COMPREHENSION

## Rainbow

Rainbows are colorful arcs  
that you can see in the sky  
after it rains.

Rainbows usually appear after  
a rainstorm when the sun  
comes out.

# READING COMPREHENSION

## Rainbow

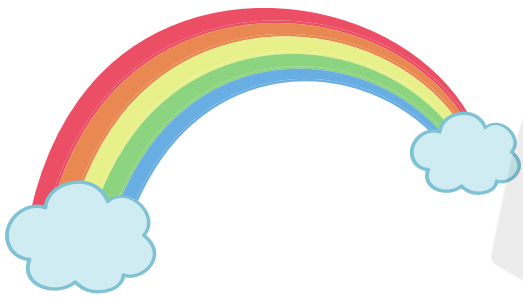

It consist of seven different colors i-e: red, orange, yellow, green, blue, indigo, and violet.

These colors are made up of sunlight and air.

# READING COMPREHENSION

## Rainbow

People like to watch rainbow.  
They also believe that  
rainbows bring good luck.

Rainbow stays for a short  
period and then disappears.

# READING COMPREHENSION

## Rainbow

---

Answer the following questions.

1. What are rainbows?
2. What do rainbows look like?
3. Rainbows consist of how many colors? Name them.
4. When can you see a rainbow?
5. Why do people like rainbows?

# READING COMPREHENSION

## Rainbow

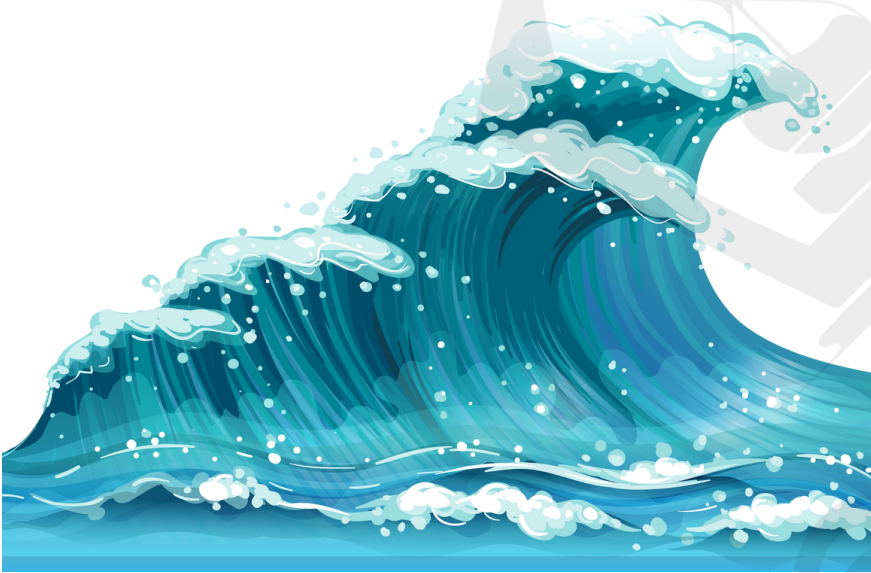

---

Read the statement and tick/cross accordingly.

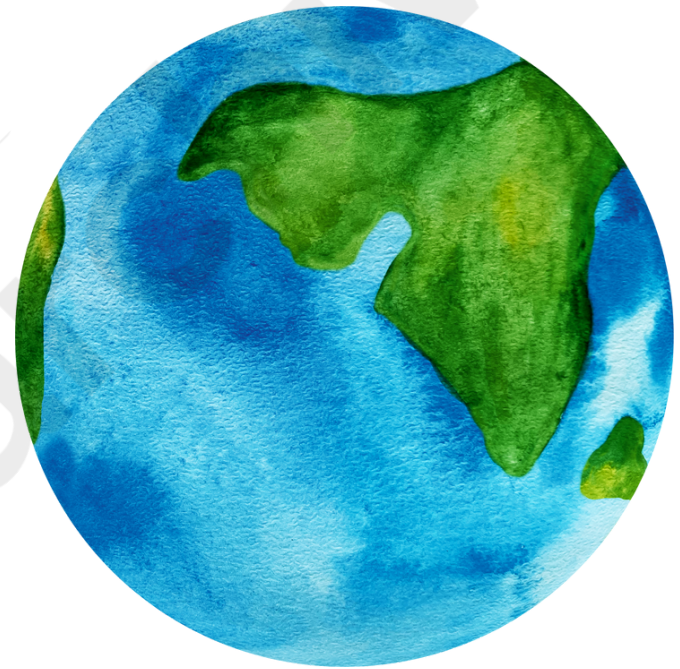

1. Rainbow appears in a straight line \_\_\_\_
2. Rainbow don't have any color \_\_\_\_\_
3. rainbow is made of sunlight and air \_\_\_\_
4. Rainbow appears after rainstorm \_\_\_\_
5. Rainbows have pink color \_\_\_\_\_

## Ocean

The ocean is the largest body  
of water on Earth.

It covers about 71% of the  
planet's surface.

# READING COMPREHENSION

## Ocean

It is home to a diverse range of creatures, from tiny plankton to enormous whales.

The ocean is also an important source of food and energy for humans.

# READING COMPREHENSION

## Ocean

It is also responsible for maintaining a balance between temperature and rainfall.

People are harming ocean with pollution and overfishing.

# READING COMPREHENSION

## Ocean

---

Answer the following questions.

1. What is the ocean?
2. What percentage of the Earth's surface does the ocean cover?
3. What types of creatures live in the ocean?
4. What are some challenges that the ocean is facing?
5. What is the ocean responsible for?

# READING COMPREHENSION

## Ocean

---

Read the statement and tick/cross accordingly.

1. People are harming ocean with pollution ----
2. Ocean is not responsible for climate changes -----
3. Ocean covers around 50% of the planet's surface ----
4. There is no living thing present in water ----
5. Ocean is the smallest body of water -----

# READING COMPREHENSION

## Trees

Trees are tall plants with leaves and a trunk.

They come in different sizes, such as small, medium, and large.

# READING COMPREHENSION

## Trees

They are used for many things like providing shade, making homes for animals.

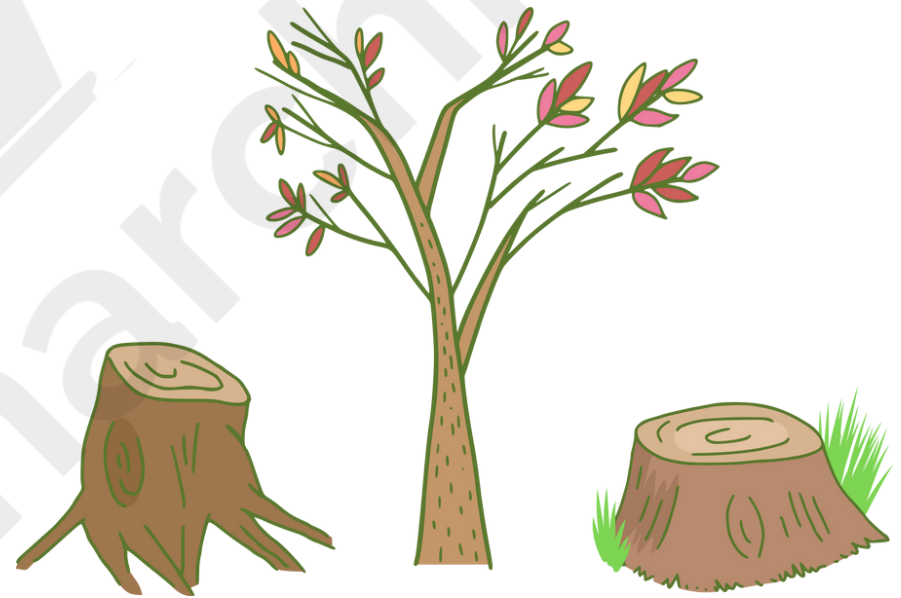

Trees are also used for making wood and different wooden items.

# READING COMPREHENSION

## Trees

It is important plant more trees because they give us oxygen.

Overcutting of trees is harming natural life.

# READING COMPREHENSION

## Trees

---

Answer the following questions.

1. What are trees?
2. What sizes do trees come in?
3. What are trees used for?
4. What are trees known for?
5. Why are trees loved by many people?

# READING COMPREHENSION

## Trees

---

Read the statement and tick/cross accordingly.

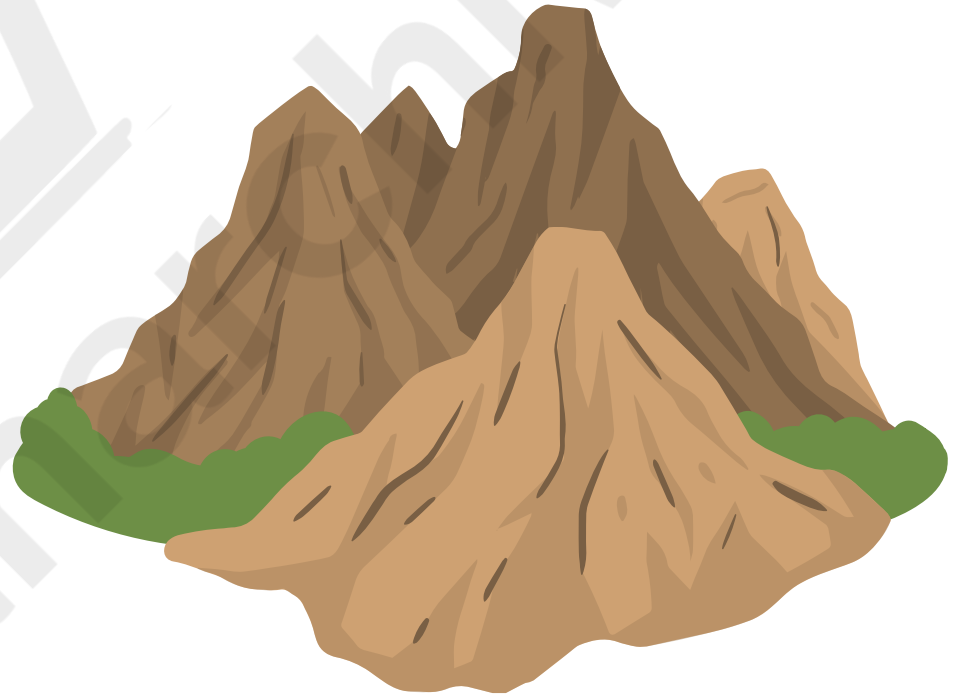

1. Trees don't have leaves \_\_\_\_
2. Trees are present in different shapes and sizes \_\_\_\_\_
3. Trees are used for making furniture and toys \_\_\_\_
4. Trees don't gives us oxygen \_\_\_\_
5. Cutting trees is good for environment \_\_\_\_\_

# READING COMPREHENSION

## Mountains

Mountains are some of the tallest and most majestic natural features in the world.

Mountains are made up of rocks and soil.

# READING COMPREHENSION

## Mountains

Mountains can provide a home to a variety of plants and animals.

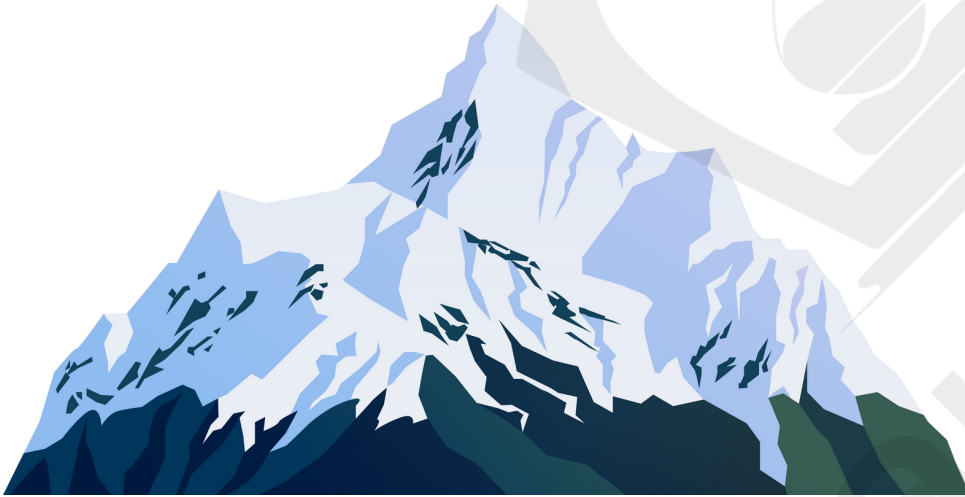

It offers opportunities for recreation, such as hiking and skiing.

# READING COMPREHENSION

## Mountains

Some mountains have snow on their top all the time.

When snow melts it flows down into rivers and provides water for plants, animals, and people.

# READING COMPREHENSION

## Mountains

---

Answer the following questions.

1. What are mountains?
2. How are mountains formed?
3. What happens when the snow melt?
4. What are size of mountains?
5. What types of activities can be done in the mountains?

# READING COMPREHENSION

## Mountains

---

Read the statement and tick/cross accordingly.

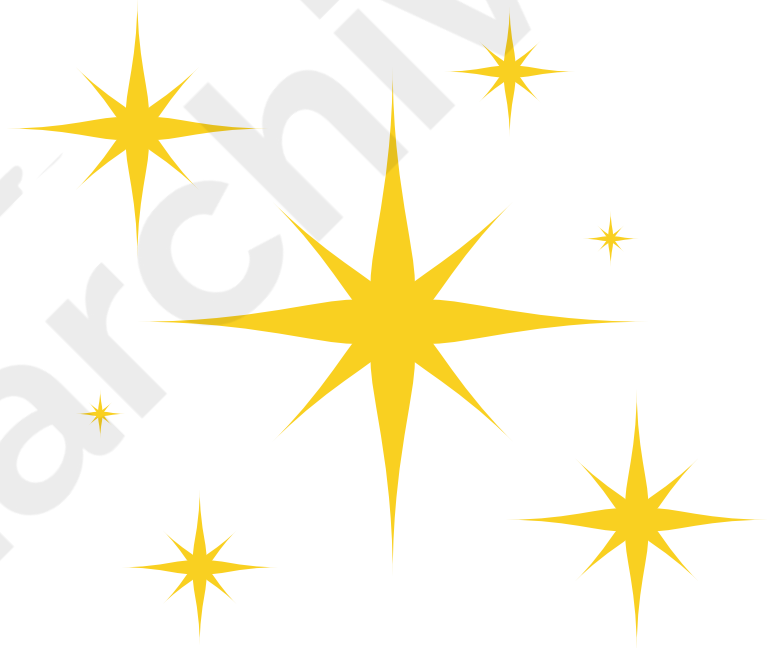

1. Mountains are small in size ----
2. Mountains are made up of snow -----
3. Mountains are usually consist of rocks and sand ----
4. Mountains are home for many animals ----
5. Mountains are not used for hiking -----

# READING COMPREHENSION

## Stars

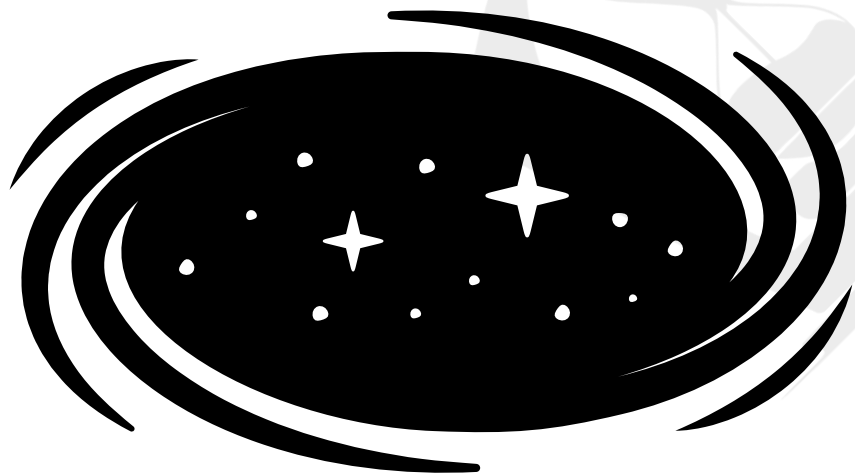

Stars are actually giant balls of hot gas that are very far away from us.

They are so far away that they look tiny little points of light that twinkle and shine at night.

# READING COMPREHENSION

## Stars

Stars are also important for navigation. People used to use the stars to figure out where they were going.

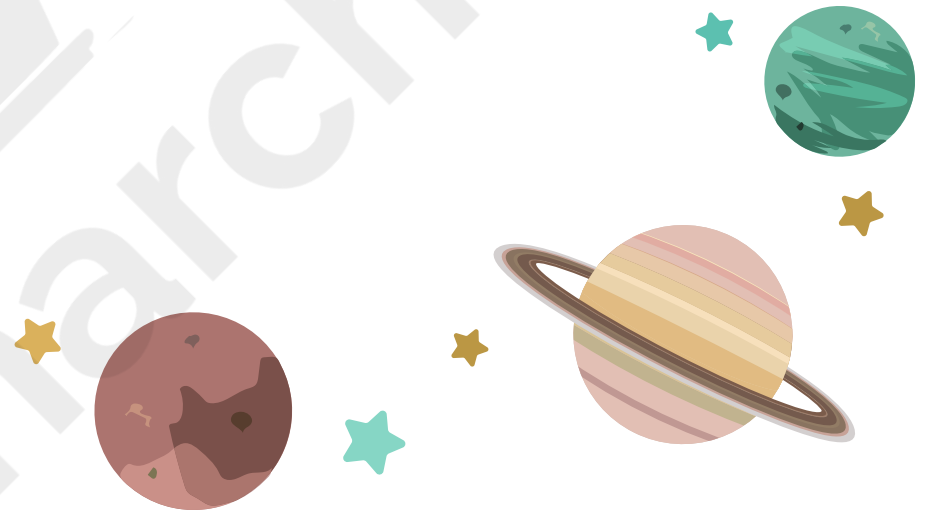

Even today, pilots and sailors use the stars to help them navigate in the dark.

# READING COMPREHENSION

## Stars

Some stars are visible to the naked eye, while others can only be seen with telescopes.

The stars are held together by their own gravity.

# READING COMPREHENSION

## Stars

---

Answer the following questions.

1. What are stars?
2. What is the role of stars in navigation?
3. How many stars are in the universe?
4. How stars are held together?
5. Does all the stars visible to naked eye?

# READING COMPREHENSION

## Stars

---

Read the statement and tick/cross accordingly.

1. Stars are made up of hot gas ----
2. Stars don't help us in navigation -----
3. Stars are not visible wit naked eye ----
4. Stars twinkle in the night ----
5. Stars are far away from us -----

# READING COMPREHENSION

## Bicycle

They are machines that you pedal with your feet to make the wheels go around.

They can have different colors and designs, and some even have bells or baskets.

# READING COMPREHENSION

## Bicycle

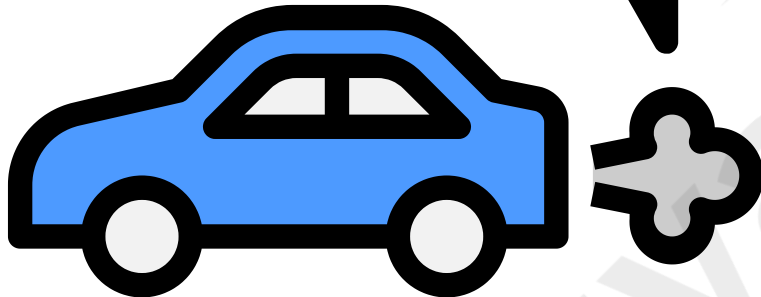

Riding a bicycle is great exercise and can help you stay healthy and strong.

You should always wear a helmet to protect your head, while riding bicycle.

# READING COMPREHENSION

## Bicycle

Bicycles are pollution free.  
They are environment friendly.

Bicycles are used for  
commuting, riding and touring.

# READING COMPREHENSION

## Bicycle

---

Answer the following questions.

1. What are bicycles?
2. How do bicycles work?
3. What are bicycles used for?
4. Are bicycles environmentally friendly?
5. Why helmet is necessary for riding a bicycle?

# READING COMPREHENSION

## Bicycle

---

Read the statement and tick/cross accordingly.

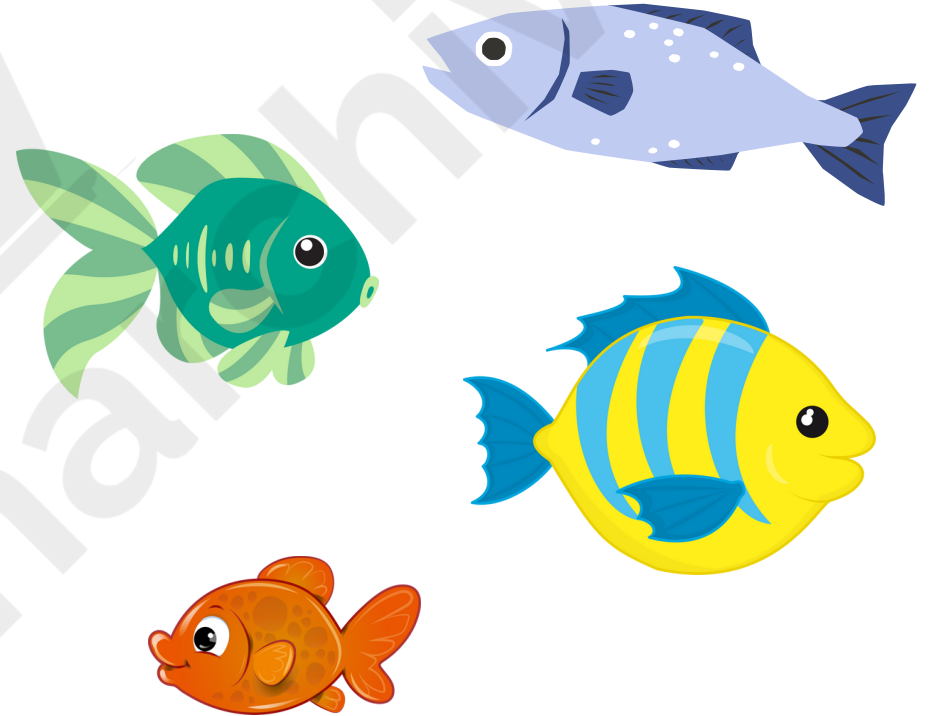

1. Bicycles are used for riding ----
2. Bicycles are not available in different sizes -----
3. Wearing helmet is not important while riding a  
bicycle ----
4. Bicycles pollute the environment ----
5. Bicycles are used with pedals -----
